MEMORANDUM FOR: Mr.
Government Employees Health Association

25X1

In accordance with the action of the Board of Directors on March 22, 1955, I have ascertained that the DD/S will not approve of charging the cash loss of 2 April 1954, in the amount of \$250.95 against the Government. The record of this refusal is in the files of the Board in the Chairman's office.

Accordingly, in keeping with the decision of the Board as of the above date, you are authorized to use your available funds in the Fines or Dues Accounts for the amount of this loss, thereby wiping it off the books.

Chairman of the Board
